n) Local rule 4-3 permits the use of Distance measuring devices in all League competitions.

A player may obtain distance information by using a device that measures distance ONLY. The player must not breach rule 4-3 otherwise the player must be disqualified.

Notes:

If a player wishes to use a phone to look up weather, it is not considered to be actively measuring or gauging the conditions and is permissible. Reports provided by a weather station, through an app or internet browser, are not a breach of rule 4-3.

A phone with a compass feature, can be used as a distance-measuring device, because a compass only provided directional information and does not gauge or measure variable conditions or assist the player in his play.

You can use a phone as a distance-measuring device, that has an inbuilt spirit level as part of the functionality, but it is not part of the distance-measuring app., provided that you do not use the spirit level in any manner that might assist you in your play.

The use of mobile phones by a competitor or his caddie whilst on a golf course is distracting and inconsiderate. If the competitor or caddie is in possession of a mobile phone it must be on silent or turned off. A player or caddie cannot receive or make calls during the match - Penalty - Loss of Hole.

Receiving (ONLY) and viewing Short Message Services (SMS), between the playing of holes, is not considered "receiving or making phone calls" during the match.

Exception: Players/caddies are permitted to make phone calls from the course to the clubhouse or to event officials for rules/emergency assistance.

o) Caddies are **NOT** permitted. **A Player receiving advice from any person shall be subject to penalties described in Rule 10.2 (Rules of Golf)**. If the Captain is a player, they cannot give advice to any other team member while they are engaged in their match.

Results:

a) Result forms will be supplied to clubs for recording match results. These forms are to be kept by the club for future reference. Both competing clubs should have a copy (photocopy, picture etc.).

b) The results (not forms) **MUST** be phoned, texted by the Home Captain to the VGL Executive Manager as soon as possible after the match but certainly before 3 pm.

Home Captain to phone, text results to:
VGL Executive Manager – Philip Goad,
Phone 9417 3019 Mobile 0488 598 113

PENALTY: Offending team will lose all points gained.

Finals:

The V.G.L. Women's Golf Committee will conduct the pennant finals.

The Committee may provide officials to assist with the running of the day.

The officials are empowered to enforce the rules of golf and/or pennant rules.

Any instruction to players by official(s) MUST be followed, otherwise the player will be DISQUALIFIED.

Divisions: Teams finishing 1st and 2nd will play off for the Premiership.

All Final matches will be played on a neutral course decided upon by the VGL Women's Golf Committee. In the event of two or more clubs defeating an equal number of teams with an equal number of Match Points, a count back over the last three matches will be made. If results are still tied, a count back will be made match by match with away matches given more weight.

All Final matches will be played on a neutral course decided upon by the VGL Women's Golf Committee. If results are still tied, a count back will be made match by match with away matches given more weight.

ALL OF THE ABOVE MENTIONED RULES ALSO APPLY TO FINALS WITH THE FOLLOWING EXCEPTIONS:

a) In a Final, when all matches are completed and the contest is tied, then the last tied match will continue until there is a result, unless the VGL Women's Golf Committee advises otherwise. Playoff holes to be determined by the Committee in consultation with course management.

b) An emergency player who fulfils the criteria may play in the Finals. (Note: A player must have played one match in the division during the season to qualify to play in final of that grade).

c) Caddies aged 16 and over are allowable. No professional golfer or professional caddie will be permitted to caddy. Caddies are not permitted onto greens and recommended that they proceed to the next tee while players are on the green.

Pace of Play:

a) All matches are expected to complete 18 holes in a maximum time of 4 hours (approximately 13 minutes per hole). In exceptional circumstances (such as extreme weather /playing conditions), the VGL Women's Match Committee has the authority to modify this time requirement.

b) Any match will be considered out of position if it falls a clear hole behind the preceding match and is taking more than an average of 13 minutes per hole to play.

c) If a match is out of position, loss of hole penalties may be issued to an individual who, by her pace of play is responsible for such delay. Officials are not required to issue warnings prior to imposing penalties.

d) If both players in a match are equally contributing to an unacceptable pace of play, they may be 'walked' a hole(s) until they are considered to be in position.

e) When both playing pairs (all four balls) are on the green, the pair, whose has a player furthest away, should putt out (if possible i.e. does not interfere with lines of other pairs putts) and then proceed to the next tee. Then the other pair putts out.

To aid pace of play, if the pair that has gone to the next tee is ready, and it is safe to do so, they should tee off, even if the other pair has not yet reached the tee or means playing out of order.

ALL DECISIONS MADE BY THE VGL WOMEN'S GOLF COMMITTEE SHALL BE FINAL
